

Without your generosity right now, the Straight Spouse Network will be out of money by September 30th. This will mean

- The SSN website will no longer exist; central office phone will not be answered and because of this....
- Straight spouses will be unable to contact us to get the help they desperately need

To operate for the next year, we need to raise \$100,000. Please donate at whatever level you can. Keep our light burning brightly!

We can do this if:
 1 person donates \$100,000
 2 people donate \$50,000
 100 people donate \$1000
 1000 people donate \$100
 2000 people donate \$50

 Go to our website www.straightspouse.org and hit the **Give Direct** button, which will lead you to our secure site where you can make a one-time donation or become a GEM (Give Every Month) Donor. Or write a **check** payable to the Straight Spouse Network and mail it to PO Box 507, Mahwah, NJ 07430 with the cutoff form below.
